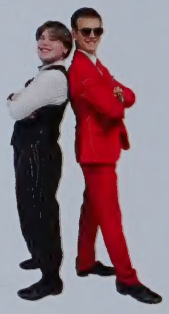
MONDAY WESTERN DAY

Juniors ***Addison Pyck*** and ***Allyson Kinsey*** start the week off accessorizing with boots and a pink cowgirl hat.

Juniors ***Mallory Eltzroth*** and ***Kylie Pfeiffer*** dress for decade day.

Seniors ***Jacquelyn Davenport, Lexi Long,*** and ***Kayden Wisehart*** wear flared pants and a leather jacket.



WEDNESDAY PINK OUT

On Wednesday, juniors ***Natalie Fordyce*** and ***Baylee Doster*** wear pink in support of breast cancer.

THURSPAY DYNAMIC DUO

Thursday students dressed up for dynamic duo day. ***Becca Days*** and ***Preslee Morr*** wear handmade shirts.

Juniors dress as chef Gusteau and Remy from the movie Ratatouille.

TUESPAY DECADE DAY

On Tuesday, seniors ***Syerra Opper***, ***Kaitlyn Meschberger***, ***Lucas Hanes***, and ***Logan Moore Warstler*** wear denim and fun patterns to channel past decades.

Volleyball players ***Lillie Cserep***, ***Olivia Kracium***, and ***Kayla Leins*** wear tie dye spirit wear as a throwback to the 70's.

Covered head-to-toe in pink, two students pose for a 0.5 picture in the cafeteria.

FRIDAY CLASS SHIRTS

On Friday freshmen ***Emma Rohm***, ***Hailey Hughes***, and ***Kate Buchanan*** show their school spirit by wearing their class shirts.

BE SUPPORTIVE

pink out

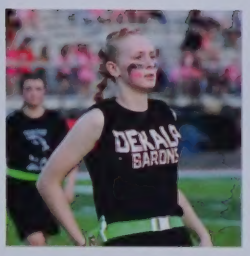
Seniors play against juniors in the powder puff flag football game, a homecoming week tradition.

The powderpuff game was held after school on Wednesday September, 21 at the football field. Two teams split between seniors and juniors were organized. Coached by student athletes on the football team, both teams prepared prior to game day. Cheerleaders led two groups of senior and junior boys to perform as spirit squads for the night. Up in the stands, students and family members also brought their support. The game ended with a score of 20-0, favoring the seniors.

BONFIRE

Following the game, students made their way to the bus garage for the annual homecoming bonfire. To end the night, there was corn hole, music, and food trucks on the site. When the sun had set, the fire was ignited, and the cheer team delivered a performance.

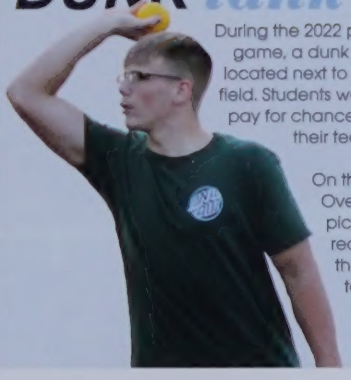
Senior cheerleader, **Keenan Brown** wowed the crowd during powder puff.



Lauryn Mooy and **Maggie Henry** practiced with the junior cheerleaders and coached them during the game.

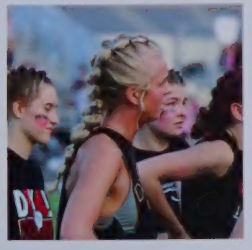
DUNK tank

During the 2022 powderpuff game, a dunk tank was located next to the football field. Students were able to pay for chances to dunk their teachers.



On the left, Derek Overbay is pictured getting ready to throw the ball at the target.

Caden Pettis and **Blayde King** were two junior football players that coached the junior girls powderpuff team.



During the second half of the game, **Scout Warner** is pictured in the team huddle.

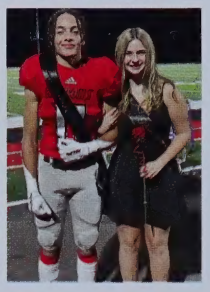
PURPLE out

On the same night as powder puff, the lady baron soccer team hosted a purple out game for pancreatic cancer against Lakeland.

being crowned HOMECOMING King and Queen

Friday night football against Huntington North ends the week of homecoming

The twelve students voted onto the homecoming court were recognized during the halftime of the homecoming football game. The six seniors were Delaney Cox, Lucas Hanes, Logan Moore-Warstler, Quentin Penrod, Evie Pepple, and Katie Waters. Representing the juniors were Brooklyn Barkhaus and Dylan Wilson. The court included sophomores, Ashley Cox and Caiden Hinkle. The freshman class elected Xavier Bell and Emma Rohm. The titles of king and queen were passed down to Quentin Penrod and Katie Waters. DeKalb's homecoming for a cause allowed the six senior candidates to choose a charity to support. Throughout the week of homecoming, students had multiple opportunities to get involved and make donations. After the crowning, both Penrod and Waters held up checks to show the contributions being made to the DeKalb Humane Society and the DHS Food Pantry.



BE VICTORIOUS

varsity football pulls off a big win during homecoming

Xavier Bell, ***Caden Pettis***, and ***Kaden Nack*** are pictured standing in a huddle during the fourth quarter. The game proved to be a very competitive one, the close score being 56-48, in favor of the Barons.

Pushing a defender off, ***Caiden Hinkle*** *runs past players with the endzone in sight.*

student section cheers team to victory

Clapping her hands, ***Linnea Sarrazine*** shouts out to field. "Its very exciting when the team wins. From the chant, to rushing the field, one of the best overall high school experiences." Holding onto a noise maker, ***Mercedes Aguilar*** shares her favorite part of the student section. "My favorite part is the adrenaline rush everyone gets during kick-off, touchdowns, and when we win! Everyone is always happy and gets along with one another." "You hear the sirens go off, white powder thrown in the air, fireworks exploding, and see the lights flickering." ***India Schuman***, standing in the front row, describes what you see at the games. With a megaphone in her hand, ***Jersey Chalfant*** smiles in the stands. "When the team wins, the crowd goes insane. All of us are excited that we won and proud of the team!"

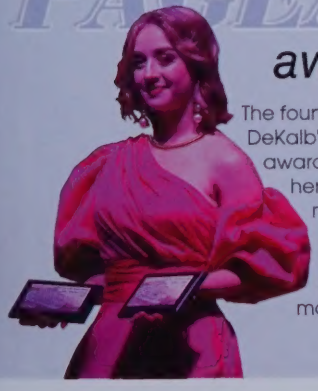
FREE FALL FAIR

Students spend their week at the fair. Show choir performs downtown on stage. 4H members are awarded.

The queen parade happens the hour before the pageant. It's a chance to show off the competing contestants. ***Olivia Woodcox's*** favorite part of the pageant was riding in the parade beforehand. "We got to see everyone that had shown up to the fair and wave at the people. I remember seeing a lot of little girls waving back." During the presentation portion of the night, ***Lilly Moore Warstler*** talked about learning to branch out and try new experiences in her speech. She used the pageant as an example. " My favorite experience was the new friendships I created with the other girls."

Miss DeKalb County PAGEANT award winner



The fourth runner-up in the pageant was DeKalb's senior Carine Bowers. She was also awarded the people's choice award when her people's choice box raised the most money. "My favorite experience during the 2022 Miss DeKalb County pageant was learning how to cheer on my competitors and figuring out how to move on after I've made a mistake."

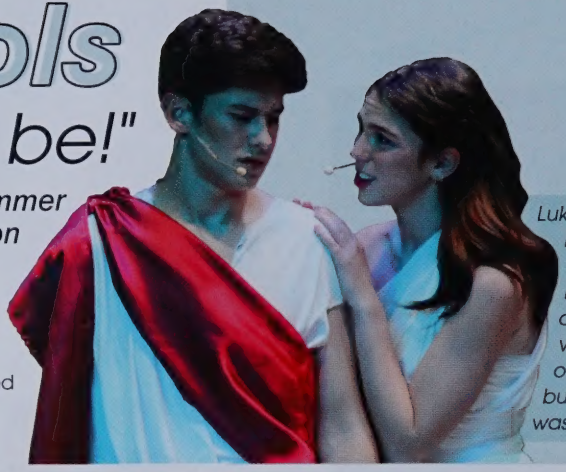
BE PREPARED

how contestants got ready in the days leading up to the pageant

Lilly Saurbeck competed in the pageant as contestant number two. "I focused the most on my walks to make sure I could do them correctly. I would go around my house in my different pairs of heels and practice those walks over and over until I got all the little details right and could smile without thinking too much about it." Going on stage seventh, ***Kaitlyn Blair*** practiced her speech and looked at lots of shoes and dresses before the big night. "My favorite memory was being up on stage with all the girls and being so happy."

"Lord what fools these mortals be!"

DeKalb Theater puts on A Midsummer Night's Dream for its first production of the school year.



*Luke Helmkamp plays lead role Demetrius. By his side, Maya Sells plays as Helena. "My favorite memory from Midsummer was during the first couple rehearsals where we were all figuring out where to go in our scenes and building our characters together. It was really beautiful." **Maya Sells***

When asked about the process of putting the play together, ***Ewan Wells*** gave some insight. "Preparing a play takes a few weeks of work and I think all it takes to make it good is a cast of committed people who really want to make it good."

A Midsummer Night's Dream, written by William Shakespeare was one of the more challenging scripts the theatre has worked with. ***Justin Ternet*** expressed this by saying, "Preparing for this play was no easy task. We started in September and from then on, we were just originally trying to figure out what the play even meant. But once we broke through the language barrier, it was just a continuous effort to make sure we made sense to the audience and wasn't just us speaking random words." ***Elijah Knepper***, who played Nick Bottom, added, "The main thing with theatre is making that time commitment to either study your lines, work with others, or simply showing up and trying different things on stage with others."

Set the Stage

top left: Landon Orsi
top right: Isabella Barton
bottom left: Molly Reasner and Titus Refner
bottom right: Reagan Nordman and Clayton Brown

Kayden Wisehart, who played Puck/Robin Goodfellow, wore a costume covered in leaves and flowers "I thought the costumes were absolutely stunning and my favorite had to be Oberon's."
Lizzie Buchs was part of the ensemble fairies. "I loved all of the costumes! But, the fairies were definitely my favorite. The skirts were so simple but cool, and the makeup looked gorgeous on everyone!"

DRESS the PART

Amarra Nester appeared in the play as the character Snug. A costume change in the second act had Amarra dressed as a lion. "Thisby's costume was absolutely the best. Gabe was super open to trying new ideas for the costume and it turned out hilarious and impactful in the end."

Getting into Character

Cast members share what part they played and their favorite aspect about the role.

Alice Chitwood

"I was Puck's little 'henchman' . My favorite part about playing my character was that I didn't have to be serious all the time. I was able to have a lot of fun in the play and really enjoyed it."

Keenan Brown

"The character that I played was Oberon; The King of the Fairies. My favorite part about Oberon was his complex nature. His desire for revenge as well as fixing problems for others."

behind the scenes

Lizzie Buchs describes the process of putting a musical together. "You may think the preparation for a show begins towards the end of January when auditions are held, but the beginnings of a production take place weeks before that, especially for a show as intricate as this classic. All aspects of the show are brainstormed and executed by dozens of students within the technical and theatre production classes. Ideas for the set and costuming begin as soon as you step foot in the classroom after Christmas break, and the ideas don't stop flooding in until that final Sunday show night. To create a show such you need creativity from each and every person involved, whether that be from the students in the classroom, the backstage crew, the orchestra, or the cast itself. By accumulating as many ideas as possible throughout the entirety of the production, we are able to create a truly spectacular set and show that many people can proudly say they contributed to. "

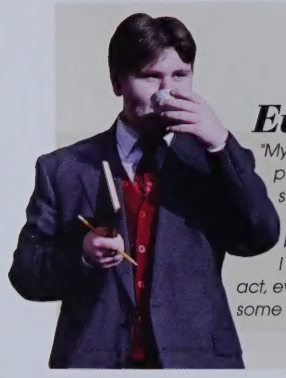
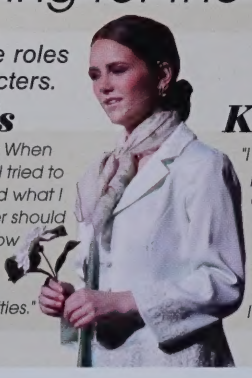
How students developed the roles of their characters.



Ewan Wells

"My role was Uncle Max. When preparing for this part I tried to summarize in my head what I thought his character should be. I would just act how I thought max would act, even if I already share some of his eccentric qualities."



Kya Blomeke

"I was Baroness and I prepared myself by doing research on Elsa! The Sound of Music is based on a true story so I started developing my character on the information I found on the internet!"

Captain Georg Von Trapp was played by ***Gabe Barton.*** *"I played Captain Von Trapp in the Sound of Music. Outside of theater practice, I carried my playbook around with me all the time and read it whenever I could, I translated the sheet music to guitar tabs so I could play it and sing along, practiced lines with my family and sang all the time."*

"Lets start at the very **beginning**, a very good place to start."

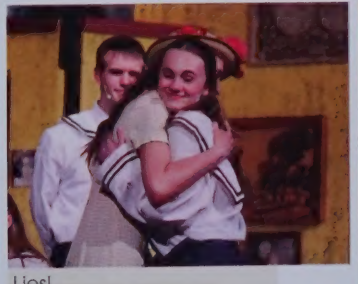
DeKalb theater presents The Sound of Music for its spring musical

Mackenzie Targgart explains what the spring musical was inspired by. "This musical was based on a true story about a family who tragically lost their mother and recieved help from a nun named Maria to find their love for music again. The dad falls in love with Maria and they get married. They end up having to run away so the dad doesn't have to leave the family again to join the armed forces. I liked that the show had a fluidity to it and no matter where we were in the show, I never felt bored or awkward. The show had a beautiful flow and message that sent almost everyone in the audience home crying."

playing a part

Marta
Molly Reasner

"I played Marta, and I enjoyed getting to create a personality for a seven year old. Being part of the family, each one of us made it a point to get closer to one another, so it seemed like we were actually siblings."

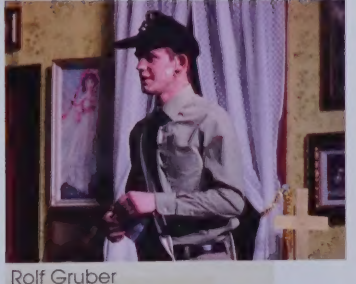


Liesl
Claire Woodcox

"I played Liesl. I liked being her because she was very stuck up and arrogant at the beginning but was also oblivious and naive. She made me feel like a 1940s actress which was very fun."

Brigitta
Elizabeth Allen

"What I liked about playing Brigitta Von trapp is that she had a lot of spunk, and that made it fun to interact with everyone else."



Rolf Gruber
Clayton Brown

"My role was Rolf Gruber and I really enjoyed playing someone of my age and portraying a real part of history. While also having a bunch of fun with dancing, singing, and making jokes."

LET IT BE KNOWN

Beyond the US

My favorite American activity so far has been watching hockey games. I have never thought that hockey could be so fun to watch, especially if you watch it with people you enjoy staying with. The most important people in my experience are first my host family. They welcomed me as a real member of the family even though they didn't know me at all.

Margarita PENZO

My favorite moments here was talking to my friends and doing club activities. I participated in cheerleading and played tennis. What surprised me the most about America was how much freedom you have. Here you can dye your hair, wear earrings, and wear make up. In Japan , I can't do anything. I love American schools.

Sara HAMAGUCHI

My favorite moment here was visiting Chicago. What surprised me the most was how different the schools are here in America. I love how big they are and how they are involved with sports. I gained the opportunity of doing two sports I would have never tried in Italy and that was cross country and volleyball.

Gabriel CHIOATERO

My favorite moment here was, during fall break my host family and I took a trip to Tennessee. The view was so beautiful and we had a great time. Some opportunities that I gained while I was here was being able to participate in a Harvard conference and I got accepted into Cornell's and Georgetown's summer programs.

Sofia DARIOLA PERES

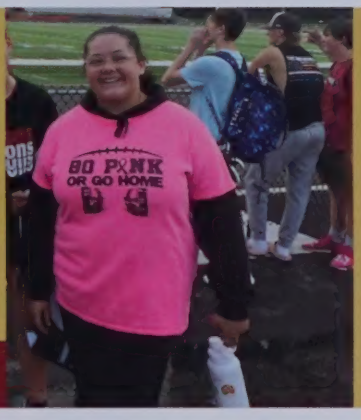
AMERICA

My favorite moment in the US was the first football game, because I could experience for the first time what I saw in movies for years and it was really exciting. I also took a cruise trip to the Caribbean. The thing that surprised me the most is that everyone is very friendly and welcoming with new people.

Sophia FIORAVANTI

My favorite memory is the win against Garrett at the beginning of the year. As a football manager it was something really important for the team. I would definitely come back to the US. I loved the US. I would come back first to visit people here and to visit other states.

Melina CALERO



My favorite American foods are biscuits and gravy and boneless wings. I love Panda Express and Chipotle. Things that I have gained this year is improving my english, social skills, and being more confident in myself. The people who have been most supportive of me is my host family. Abby DeTray and her family have made me feel like a member of their family since the first day.

Ana CID GONZALEZ

The most surprising thing here in America is the food, but I don't like any of the food. While I was here I did an internship at the Auburn Hills Animal Hospital, and this opportunity made me decide what I want to do in the future, a vet. I plan to come back here next year for college.

Beyond Expectations

At DeKalb, we offer many opportunities for students to pursue their passions, join educational groups, help those who are innocent and in need, and providing services for the community. Not only do the students enjoy these enriching activities but also build relationships to help them achieve their future goals. If you didn't join a club or group this year, make sure you do it in the 2023-2024 school year.

World Language Cultural Events

The French and Spanish teachers cultivate a sense of community through their various classes and enrich the lives of their students by taking them on field trips, doing research and presentations, and exploring a variety of other opportunities and activities. Joining the specific clubs also exposes students to even more culturally-rich experiences. The intent is to be both educational and fun to look beyond our own lives in Auburn and be more tolerant of differences regarding race, language, and cultures.

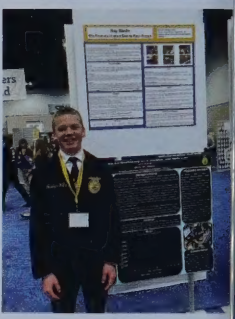
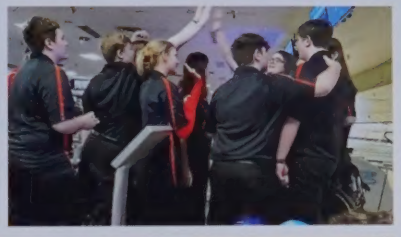
The National Convention was at the end of October. At Nationals, members compete alongside members from various other states. This years at Nationals, 7 members placed top three in their respective divisions for agriscience fair.



Choir

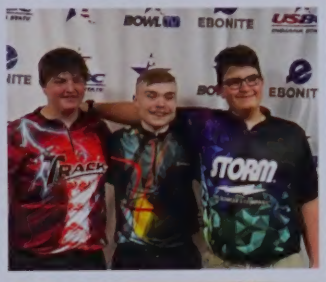
Mr. Doubblestein has done a phenomenal job of building the choir programs at DeKalb. Above are pictures of the BaronTones, Dynamix receiving Gold at ISSMA Solo and Ensemble. The choirs performed at various places including the fair and PFW. Job well done, Barons!

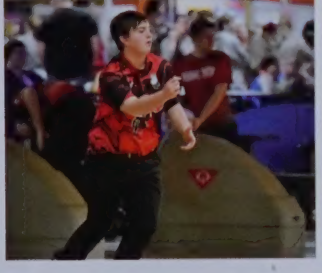
Unified Bowling, Bocce Ball, & Basketball



We are so proud of our Unified club sports. Student athletes are State Champs for Bocce Ball and Bowling. Watching them cheer each other on is inspirational. We can't wait to see a repeat for next year!

Bowling





The year started with the girls team receiving their State rings from last year. The bowling teams had an amazing season this year with the girls team going back to State and Josh Wirges from the boys team also going to State. Congrats on your accomplishments, and we can't wait to see what lies in store for you next season.

Being Specialized

students attend Impact Institute to concentrate on specific interests

Each student has set out to learn as much about their program at Impact Institute through the vocational curriculum. They have been exposed to hands-on experiences within their chosen fields, preparing them for their futures. The hours spent in the classrooms, workshops, and studios have allowed students to gain expertise that will set them apart. By focusing on their interests and talents, vocational students are well-prepared to enter the workforce and excel in their chosen professions.

Jackson Smith is shown taping a car during his auto body and collision repair class. This program teaches students many techniques like welding, sanding, and painting in order to perform successful repairs.

Jaykub Griggs works on a project for auto body collision repair.

Brendan Allison is part of the smart technologies and automation program at Impact. He works on using information technology, robotics, and automation to create more efficient environments and workplaces.

Primary Health Care

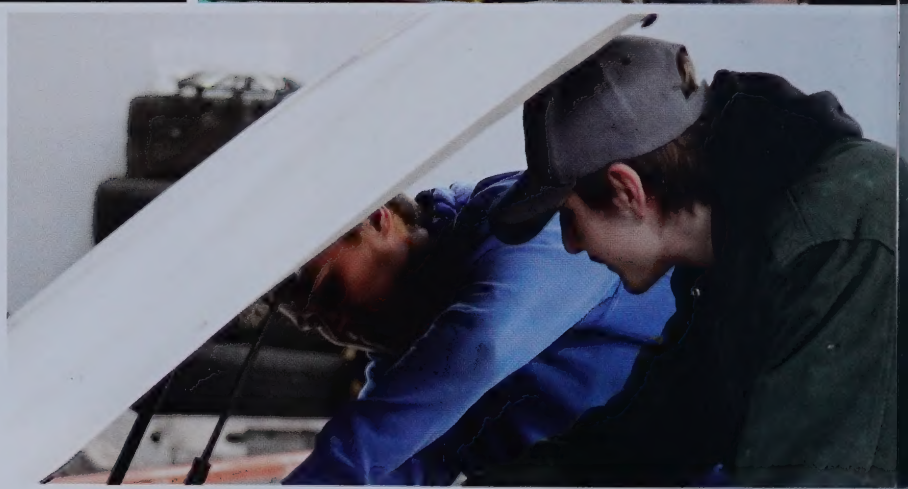
Multiple students in the primary health care are pictured celebrating the holidays! This course guides students through the Certified Nursing Assistants certification process. Hours of clinical work and classroom instruction are required.

BE EXPERIENCED

The construction trades students while building a house, learned many skills. To the right, a student is shown installing a window. This impact program is designed to teach with projects such as cement work, roofing, siding, and framing.

The vocation program welding provides opportunities for students to join the workforce. Students are able to earn an American Welding Society certification through their knowledge of the curriculum. They focus their time on the practice of welding and safely operating equipment in the shop.

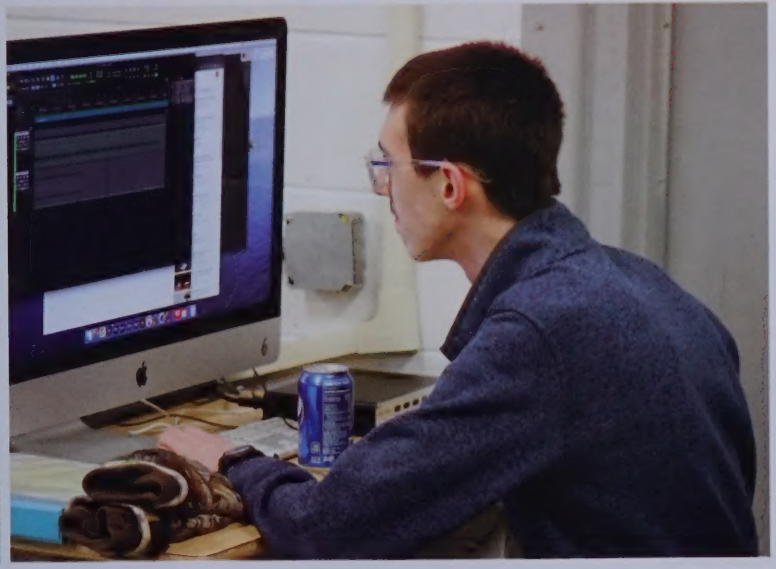
Students are able to earn their certification in different areas of the automotive service technology program at Impact Institute. The course instructs in the topics of brakes, electrical, engine performance, and suspension/steering.



Criminal Justice

Alex Collins and *Scout Warner* are two of the students in the criminal justice program at Impact. Students are given an introduction to law enforcement, corrections, and the court system.

Christopher Grate works on a project in photoshop during a graphic design lesson. The interactive media program helps students enhance their creative skills. A variety of skills like game design, branding, and video recording are taught.



Cosmetology

Elizabeth Bartz practices styling hair on a manikin. The cosmetology training at impact requires several hours of work including hair cutting, coloring, facials, and nail design.

Be In Position

Baron Brigade

Out supporting the community and being a part of the history of the ACD Parade.

Rylee Sleeper and Lauren Ley - drum majors. Along with Lucas Hanes.

"My favorite part about being in the Marching Band is the culture. Since everybody spends so much time together whether it be 8 hour rehearsals or after-school rehearsals, we naturally become a close knit family. The connections we make in the program last much longer than the years we spend in high school." - Senior Lucas Hanes

Performing at the Homecoming Convocation in front of the school.

First time putting their show on at a home football game!

"After a very long season, a lot of memories were made that we will carry with us for the rest of our lives. Marching band can be a lot of work, but it's not too bad when you're with your friends.
This years show was titled "Ancient Roots." The Baron Brigade spent many months perfecting a show that displayed how music has changed over time and how it connects to its roots. The marching band also had parades and school spirit displays sprinkled throughout the season.
Although the outcome wasn't what we wanted, it was still a very great year of growth. We were sad to watch Mr. Stackhouse, our old assistant director, leave us during band camp, but we were excited to welcome a new director, Mr. Adamisin. It's a very hard role to fill, and he did a great job doing it. We are glad to have welcomed and got to know him over the long season.
As a senior, I feel like this was the most confident the band has felt in the past 5 years. Let's go, Brigade!"

BEATING THE DRUMS

Winter Drumline

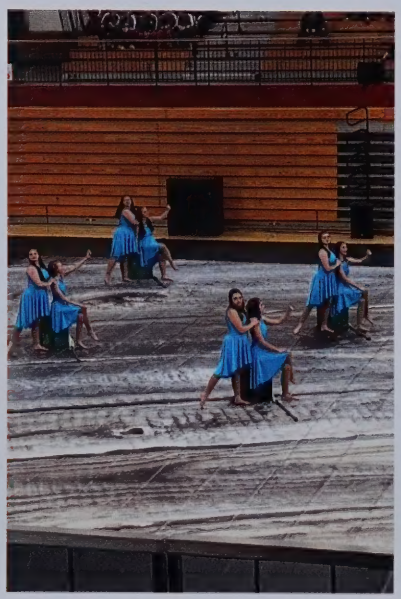
The DeKalb Winter Percussion qualified for the Indiana Percussion Association State Finals for the 17th consecutive year where they placed 8th. Their show was titled "Clockwork" which featured an array of gear and clock motifs. The percussion ensemble also comprised a record high 52 students. We also want to thank Mrs. Lank for her wonderful and hard-working years at DeKalb High School. She has such a huge impact on our Band Program, and we will miss her so much.

"Understand that no matter how far you go from home you will always have a "home" in the Brigade family. Time will fly and friendships will fade, but you will always have the memories you created within the Brigade. Whether that's marching in crazy weather, some crazy lady swinging out of the tower, or the low brass seemingly losing their shoes, these memories will last a lifetime. Near or far, Brigade is ALWAYS family!"

-Mrs. Lank

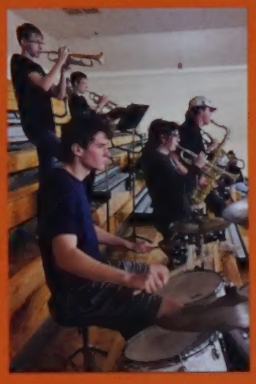
Winter Guard

The Brigades Winter Guard performed "Note to Self" all over the state. These incredible young ladies a gentlemen placed in the top 5 at every invitational and made it through the first round of prelims. The amount of growth these students made this season was incredible!



Pep Band

The Barons Brigade's Pep Band is the music to people's ears during the girl's and boy's basketball games. They love the bring the house down and jam out to their favorite tunes! They are one of the incredible aspects and supporters of DeKalb Baron athletics.



Jazz

The Baron Brigade had an incredibly successful Jazz season.

Mrs. Lank loves supporting the Jazz 3 with her fun and crazy socks.

Jazz Tree not only grew they also won their room at North Side HS jazz festival.

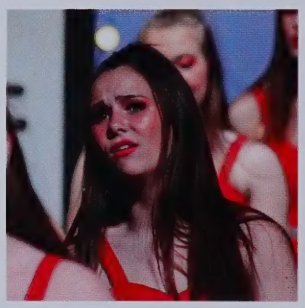
Jazz Too had a stellar season!! They won their room both at Snider and North Side Jazz Festivals and had a great first outing with their new director at Purdue University.

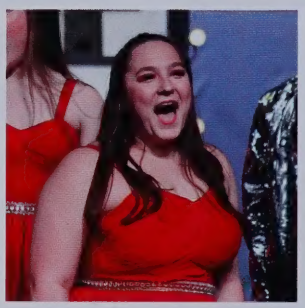
Jazz 1 started their season as 4th in their room at Purdue University and consistently placed in the top five at their remaining festivals.

Senior Season

seniors reflect back on their last season with Classic Connection

Braya Keen shares her favorite part of the show, "I liked the combination of songs and how most of them were really well known." ***Madeline Faulkner*** gave insight into a pre-performance warmup, "My favorite group tradition/ritual that our choir did this season was singing our ballad and holding hands in a circle. Doing this, you see everybody's facial expressions and how they portray the song. While performing a show choir show on stage, you don't get to see many of your other teammates on stage. Doing this in a circle in warmups and seeing everyone is very moving and emotional." ***Mercedes Aguilar*** shares details of the show that stood out to her. "Our theme this year was Classic Love! I liked our sunglasses in our rickroll number, and when all the girls come out in pretty sparkly pink dresses for the girls' number."

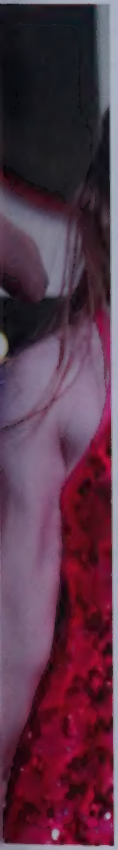


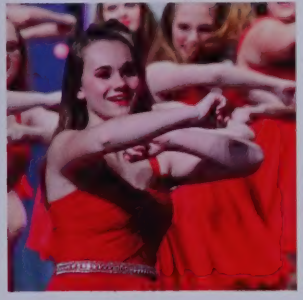


becoming Classic LOVE

show choir puts together a new season, displaying the power of expression

Senior ***Kyana Krontz*** *gives insight into the theme Classic Connection created, "Our theme this year was love. I enjoyed our opener, "Shot Through the Heart" by Bon Jovi, and the excitement that came from everyone when we performed it. I also loved the opportunity to express every emotion I felt within the 20 minutes we were on that stage."* ***Clayton Brown*** *shares his favorite parts of the show, "The theme was Classic LOVE, and I really enjoyed the song choices and the challenging yet really fun choreography that went along with it. One of the songs was never going to give you up, and when people heard it while we were performing, you could see their faces that they realized they just got Rick Rolled."*





Night Show

advancing to the finals round

The group agreed that Norwell was one of the most memorable invitations to compete at. ***Annie Schweitzer*** provides an overview of the day, "We started the day at Columbia City and after performing there, packed right up and drove over to Norwell. After having a great two performances, we were all excitedly waiting while Night Show choirs were being announced. DeKalb Classic Connection was called last out of 6 choirs." *The group agreed that Norwell was one of the most memorable invitations to compete at.* ***Reagan Nordman*** *expresses her excitement for the invitation,* "My favorite to perform at was probably Norwell. We made night show and we worked incredibly hard to get there. Showing other schools the family that DeKalb Classic Connection has makes me very proud. I love calling this group my family." ***Isabella Karch*** *adds,* "My favorite memory was all of us screaming from making the night show at Norwell and then losing our voices from screaming after placing 3rd there."

Behind the Art

art department displays student collections of art from the school year

Amarra Nester

"I've taken Intro to 3-D, Ceramics 1, Ceramics 2, Ceramics 3, Ceramics 4, and AP Art. I've taken an art class every year because of how amazing our art teachers are and how nice of an art program we have here at Dekalb."

Elizabeth Martin

"I took ceramics 1,2,3, and 4. I started taking ceramics because Mrs. Roth was a good teacher and intro to 3-D had a ceramic project and it was fun. My favorite thing I made this year was probably a white vase with an added burlap yarn detail to the top of it because I thought it looked nice."

Trenton Brown

Trenton brown was awarded an honarable mention for his work entered into the scholastic art awards. "I took Intro 3D and Ceramics 1 this year. I decided to take these classes because I like crafting art with my hands. My favorite piece I created this year was a plate that had a crab walking along the ocean, it was something new I was trying where I glazed only a portion of the plate so that the ocean and the sand had two different textures."

"I really love the spirals found naturally in sea-shells, it reminded me of the spiral pattern that forms our DNA. My piece was made to illustrate that connection."

Jacquelyn Davenport

"I was inspired to create this piece because I really wanted to take a picture of a clothesline and this piece stemmed from that. I also wanted to create something with meaning but also had an element of humor."

"I love to do ballet and watch other perform it as well. I think the lines and technique is really interesting visually. That's what inspired this piece."

On June 4th, 2023, the 56th graduating class gathered for one last time in the auditorium to a surprise guest, Mrs. Williams, who came from St. Louis to see her last class graduate since she didn't get to see them due to Covid when she retired their freshmen year. The senior cheerleaders led the group with their "Senior Chant" before Mrs. Miller led them into the gym for the last time. The senior choir members sang the National Anthem, then Amara peered over the podium to begin the ceremonies with her "Welcome speech". Logan and Nate both gave their speeches with Mr. Wagner saying "Go, Irish" because both are attending ND in the fall. Logan was the first ever to take a selfie with the class while Nate mentioned the "Wagner slide". We wrapped up the ceremony with Landon giving the "Farewell speech".

BEING PART OF SOMETHING BIGGER

BEYOND DOUBT

Varsity football has an improved season, defeating rival Garrett

Lots of excitement and anticipation could be felt leading up to the 2022 football season. New renovations taking place at DeKalb included the installation of a turf football field. The project started during the end of the last school year and continued into the summer. The varsity team played their first game on the turf during DeKalb vs. Garrett. The 42-20 win over Garrett set the expectations for the many games left to be played. Reflecting back on moments throughout the season, ***Donnie Wiley*** talks about how the team kept the energy up. "My favorite team tradition was the dark room, before the game we would sit in a room with the lights off with music to get locked in." After going 3-6 in the regular season, the varsity team was matched against New Haven for the first week of playoffs. Senior ***Memo Camarena*** describes the game. "My favorite win from this season had to have been our win against New Haven. It was energetic, fun, and a roller coaster with how the game could have went. It was a game that I won't ever forget about." The Barons finished out the season in the second week of playoffs losing to Columbia City 7-49.

Caden Pettis plays as a wide receiver and defensive back. "Wide Receiver is important because our job is to catch balls from Tegan and make big plays to advance the ball down the field. Defensive back is important because our job is to prevent big plays from happening and take away the other teams passing options." Usually found on the soccer field, ***Carter Neumann*** joined the varsity team as the kicker. He has an important role adding, "I have to kick after every score and sometimes hit field goals when we are too far to get a first down!" Junior ***Wyatt Birch*** is part of the offensive line and plays guard. He states his position's importance, "Without the offensive line, we would be unstable to pass or run the ball."

favorite moment from the season

Quarterback ***Tegan Irk*** left it all out on the field during the sectional showdown against New Haven. He recalls, "My favorite win this season was our sectional game against New Haven. All sides of the ball played well, leading us to a great team win." Senior ***Logan Shultz Montoya*** proves victory is best when shared with teammates. "My favorite win from this season was against Garrett because, after the game, we all celebrated our first win in the locker room."

Freshman ***Xavier Bell*** plays as receiver. "This position is important because they I to make big plays consistently, whether it be a good block, catch, or run." ***Dan Mahoney*** is a sophomore receiver. "My favorite memory was beating Garrett for the first home game on the new turf."

Underclassman ***AJ Ross*** plays on varsity as cornerback. "My favorite memory was celebrating with teammates after sealing the Huntington North win with an interception."

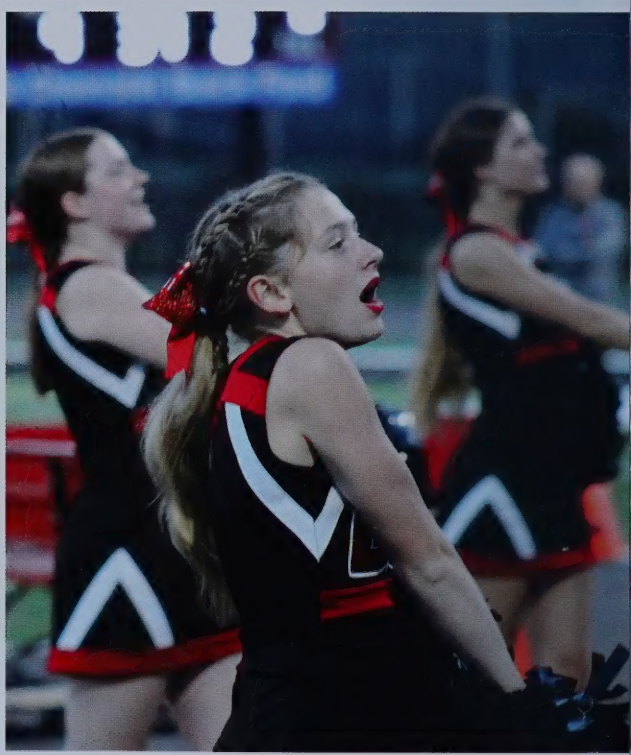
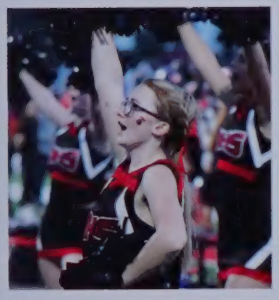
fall cheer brings the spirit

The game against Garrett proved to be the most memorable for the cheerleaders. Senior ***Mariah Grim*** shares, "My favorite game to cheer at was the Garrett game because everyone was so excited and engaged the whole game, leading us to the win." Junior varsity member, ***Kate Rowe*** describes what it's like to perform in front of the crowd. "At first it can be scary because you really don't want to mess up, but then more into the season you know a lot more and you feel confident and ready to pump up the crowd." ***Haedyn Wallace*** adds, "Being in front of a crowd gets your adrenaline pumping it's so exciting but overwhelming at the same time."



Myca Miller recalls her favorite game to cheer at. "My favorite was the Garrett game because we had a lot of energy and the student section was actually getting involved when we would call cheers or chants. Also just the energy overall was super fun and we cheered the football team to victory."



On the sideline, ***Abby Myers*** cheers with her pom-poms. "My favorite tradition was definitely our team bonding because both JV and varsity get together, and we all just have fun doing whatever we're doing that day and we just really connect."

Varsity cheerleader, ***Sydney Shambaugh*** stands on the sidelines cheering to the student section.

"The inaugural season of Baron Boys Volleyball was an overwhelming success despite the challenges faced. With almost no organized volleyball experience, the team came out and challenged teams night in and night out and improved at an incredible rate from the first open gym to the final practice of the season. Though they will go into their second season still seeking their first official win, they wrapped up the first season with countless "wins" and successes. The boys volleyball team graduates two senior players, Carter Norrick and Parker Woods, and one senior manager, Eli Catterall. They also give their best wishes to junior exchange student, Gabriel Chioatero, as he returns to Italy at the end of the school year. " - Coach Baker

A Comeback Season

After a hard fought season last year, the DeKalb boys soccer team had one of their best seasons yet. They came back from their first loss of the season against Fort Wayne Northrop, 4-1, to go on and win 13 consecutive straight games. They clenched the conference title after a tough win versus Bellmont. The game was 0-1 all through the first half, until George Joachim scored the equalizer in the second half. The game then went to penalty kicks where goalkeeper, Korbin Gillian, saved the first penalty which allowed the team the chance to win. The Barons ended up out-scoring the Braves 4-2 in penalty kicks.

13-5 RECORD

The Lady Baron soccer team had a very successful season. With multiple all-conference selections, multiple all-area selections, and an all-district award, the girls were very proud with how they played this year. After being moved up a sectional, their season ended in the championship against Carroll. One win that stood out this season was a 1-0 win against Snider. An early goal from Jenna Schoenherr led to the Barons locking down on defense the rest of the game. Another close game was against Columbia City. After playing solid defense the whole first half, the Barons finally put one in the back of the net the last 15 minutes of the game. Riley Exford scored on a breakaway with the assist coming from Jaylin Carroll.

What advice would you give to younger runners?

Elijah Knepper

"Any advice I could give is probably limited to making sure they run with the people they can have fun with. That is the only thing that makes running bearable."

Lydia Bennett

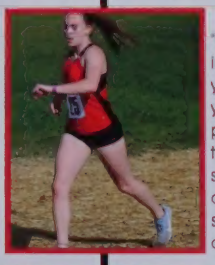
"The advice I would give to younger runners is to go out on every race and have fun, imagine it like an adventure and use it as trial and error to see how you can make yourself a better runner."

Gabe Barton

"The advice I would probably give younger runners is to not stress about the sport, and accept the challenge of it. Enjoy it, because you will never do a sport with better comradery than cross country."

Levi Abernathy

"As long as you feel pain, you're still alive. As long as you make mistakes, you're still human. And as long as you keep trying there's still hope. Because it's not about chasing the dream you want, it's about hunting the goal you want to achieve."



Abby DeTray

"It's definitely a difficult sport to get into but it's so worth it because you're able to see how much you've grown through all of the perseverance and hard work into this sport. The team becomes a second family, and they help you at your lowest. This is truly a unique sport that has the most beautiful atmosphere."

Landon Knowles

"Trust your training and have fun with the meets...cross country for most is a short season, so make the most of every race and be excited going into them. Don't let being nervous dictate how your race will turn out."

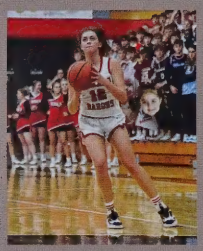
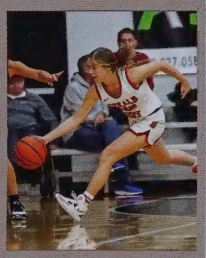
Breaking Records

Elizabeth tied the record of "Played Games" by playing 90 games.



Delaney Cox broke the most blocks in a career record with 100 blocks.



Lillie Cone broke the three-point record ending with 152 and the most steals with 163.

With this being Coach Stuckey's third year coaching, this season was the best one he has coached here so far. The DeKalb Lady Barons ended their season with a 13-12 record, which was the first winning record since 2013-14 and the first sectional win since the 2010-11 season. The Lady Barons won an overtime against Blackhawk Christian and won a double overtime against Concordia. The Lady Barons also beat the rivals, the Garrett Railroaders. The 2023 class will be missed, but Coach Stuckey is so excited to see what next year brings.

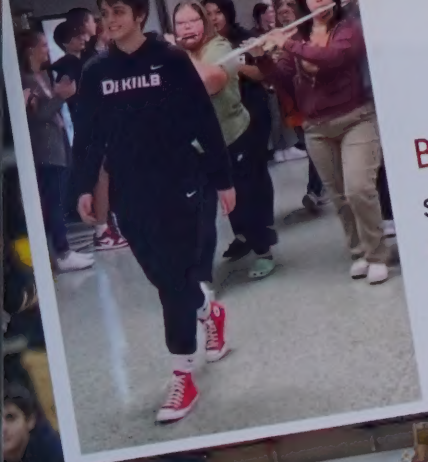
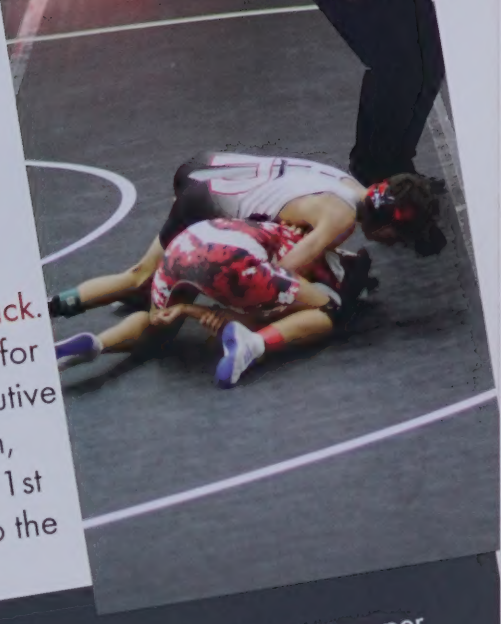
BEcoming Champions

Semi State Braxton Miller becomes the first semi-state champion since 2014. He made a comeback from sophomore year where he lost, to becoming a champion.

Semi State Drew Waldon placed 3rd at semi-state as a sophomore advancing him to the state finals.



Briar Hartleroad on her state walk before finishing 8th place at Girls State Finals in her first year of organized wrestling.



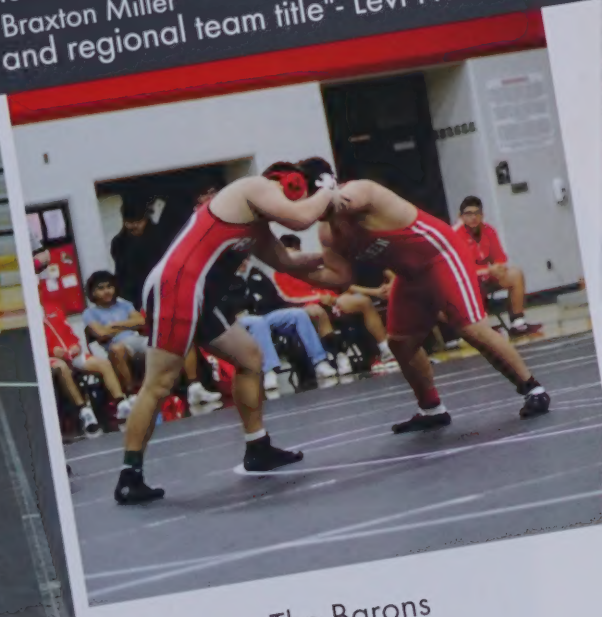
Sectional Champs Back2Back. The Barons won sectionals for the first time in two consecutive years since '84-'85 season, they had 6 wrestlers take 1st place and 10 advance to the Regional.

History has been made this year

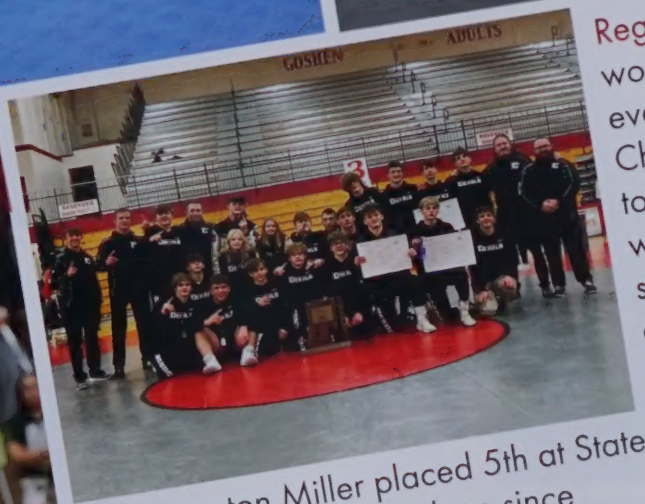
"The most fun I've ever had wrestling"- Elijah Knepper

I'm beyond proud of what we have accomplished as individuals and as a team"- Braxton Miller

t was a great season and I am glad we were able to win a sectional and regional team title"- Levi Hammon



Regional Champs The Barons won regionals for the first time ever. Braxton Miller, Mason Chase, and Drew Waldon took first place with 5 other wrestler's moving onto semi-state. The barons dominated by 27.5 points.



State Braxton Miller placed 5th at State Finals being the first to place since 2013. He is 7th place in DeKalb's history for career wins.

DeKalb swim team diving into success

Fionna Edwards looks back on the season, "My favorite meet had to be sectionals. My relay team and I had been working very hard to get our relay time down to less than two minutes, and on the last day of our meet we finally did it! It was a huge accomplishment and it will definitely stick with me for the rest of my swim years." ***Gavin Richardson*** *and* ***Ella Marzolf*** *provide a look into their before meet preparations. Gavin explained, "I usually listen to music that pumps me up or I will have an energy drink on the bus ride there." Ella added, "I try to drink as much water as possible and try to eat a few snacks."*

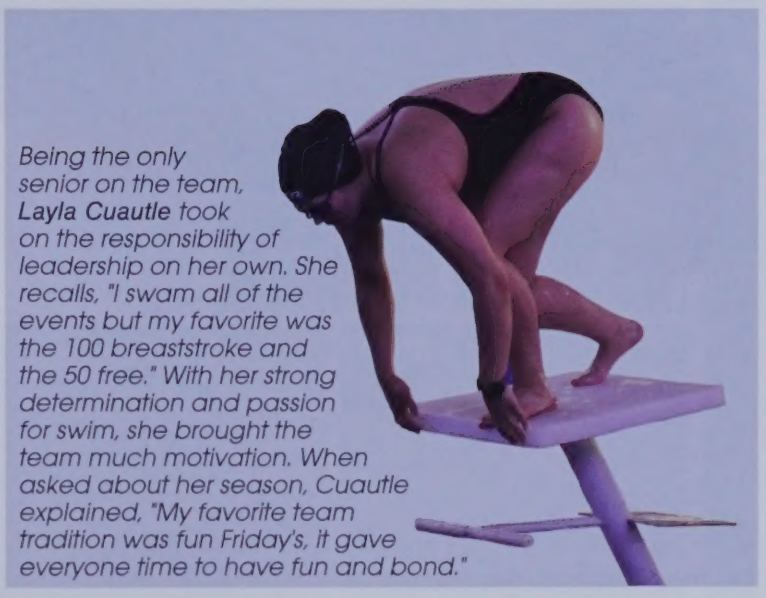
"My favorite memory from this season was when we made snow angels outside at the end of practice. We were still wet from practice so it was very, very cold."

Arabella Rogers

events - 200 IM, 100 backstroke, 200 medley relay, 200 freestyle relay
favorite - 100 backstroke

Being the only senior on the team, ***Layla Cuautle*** *took on the responsibility of leadership on her own. She recalls, "I swam all of the events but my favorite was the 100 breaststroke and the 50 free." With her strong determination and passion for swim, she brought the team much motivation. When asked about her season, Cuautle explained, "My favorite team tradition was fun Friday's, it gave everyone time to have fun and bond."*



Cheering on her teammates to the finish line! Sophomore ***Ella Marzolf*** watches in excitement as a relay race is underway during practice.

Keagan Yarian listens during a game of trivia in the pool. During swim meets he participated in two events. "I had the 100m breaststroke and 50m freestyle. The 100m breaststroke was my favorite because it requires high levels of conentration and focus.

"My favorite memory is when the swim team played water polo for a fun practice."

Be Flexible

The Lady Baron Gymnasts had a tremendous season as they were such a young team with no seniors. The girls were constantly placing in the top three in every meet. This year, the gymnastics team had two sectional champions: Myca-vault and Paige-floor. Tyla (AA), Myca (vault and floor), and Paige (bars, floor, and AA) all advanced to regionals. Myca placed 2nd with a 9.5 on vault at regionals and punched her ticket to state. Myca, Paige, and Tyla were all named to the KPC All-Area Gymnastics team.

3 things you should know about **Gymnastics**

1. Gymnasts use chalk to protect their hands and help them on certain events.
2. The different styles of gymnastics include artistic, rhythmic, aesthetic, aerobic, trampolining, and tumbling.
3. Gymnastics were started in Ancient Greece as a way to prepare for war..

"The most important thing is to believe in yourself and know that you can do it."
- Gabby Douglas

What's your favorite part about being on the gymnastics team?

"My favorite part about being on the gymnastics team is the competitions. I love competing my floor routine as well as cheering for the girls on not only my team but also on other teams, too! It's really cool to see different teams support each other." -Auburn Nordmann

Going into the season, we had some pretty high standards especially having 9 seniors; we set ourselves goals, and we accomplished them. Unfortunately we were not able to win conference this year, but we walked away with a 20 win season as well as a sectional championship which was something that has not been done in over 20 years. I couldn't have asked for a better way to end my high school career.

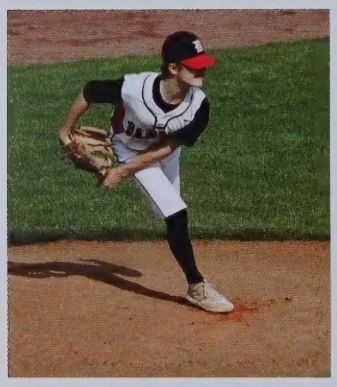
Be part of the team...



Our JV season was successful because of our competitiveness and passion for the game. One of our best moments was defeating Norwell. We had a great example of leadership at the varsity level. Can't wait for next season.

Beat the Throw

At the beginning of the season the Varsity Softball team took a trip to Nashville. Although the trip didn't turn out the way they had hoped, it was just a really big learning experience for the team. That was what this whole season was about. The softball team over came adversity, dealing with injuries and dealing with short number of girls. We over came and we ended the season as sectional runner-ups.

Volleyball Pink Out Game vs. Garrett

BaroNation

BE Loud

Go Barons

This year Mr. and Mrs. Dean along with the Athletic Leadership Committee and other staff tried to implement a larger, more spirited student body called BaroNation. Our goal this year was to get more students to participate in student sections, spirit days, and convocations. We had activities from student vs. staff games to waving rally towels and throwing baby powder at football games. We even had the opportunity to chose a BaroNation Super Fan at each convocation. Each Super Fan was chosen because they displayed leadership, dedication, and support. They were seen consistently participating in student sections and spirit days. We awarded Landon Snyder, Colten Schooley, and Gabe Gillespie with this title. To say the least, this year was one to remember. From the first home football game against Garrett to the Student vs. Staff basketball game, BaroNation created unforgettable memories, grew together as one student body, and supported each other in everything.

For the first time in years, the students won the Student v.s. Staff basketball game.

D'Artagnan Finderson

D'Artagnan, you completed our family by becoming our "Third Musketeer" and you were aptly named! Since you were little, you have quoted, "did you know statements," and had this amazing memory of tidbits of information. Grandma and Grandpa even nick-named you, Young Sheldon! Your movie quotes at precisely the right time during a conversation caused much laughter and happiness in our home. Being the youngest isn't always easy, but you always were protective of your sisters by asking, "where are my girls?" Who could forget your love for gaming! DND nights with friends while we tried to figure out how much food to make. League of Legends to all hours of the night (and morning!) kept you in touch with friends, whether across town or across country. Your kind heart, willingness to learn, and passion for history will add to your success in becoming a teacher, professor, or whatever you pursue. Your father could not be prouder to have you as his "mini-me". We are thrilled, impressed, and proud of the young man you have become.
Much love, Mom and Dad

It's Been Real...Thanks for the Memories, Barons!

The 2023 Yearbook Staff put together a great yearbook for you this year. Our theme was "Be Real", and every page included elements of our theme with graphics and colors from the cover and "Be" words in the headline on the pages. The staff worked diligently to cover each event, but we couldn't do it without the help of players, coaches, club members, students, and parents who helped us with coverage or photos. In particular, we owe a great deal of thanks to Laura Pentecost who generously contributed awesome photos for our sports section. One of our goals was to include everyone in the book at least 3 times, but some students chose not to participate. Thank you to all who gave quotes or photos for various features in the book.

Special thanks to Michelle Hollandsworth and Josh Reidy, our production representatives, and to Mrs. Miller for all her help in editing, advising, baking, and suggestions. We especially enjoyed our pizza parties and Chai bread parties.

We worked many hours both in and out of school, and we are proud of the book. If you appear on a page but were not properly indexed, we apologize. This is a student publication, so we apologize for any error that may have been overlooked.
